WEA Member Benefits Named a 2026 Top Workplace by Wisconsin State Journal

(MADISON, Wis.) – WEA Member Benefits has been named a Top Workplace by the *Wisconsin State Journal* for the seventh consecutive year, recognizing its continued commitment to employee engagement and workplace culture.

The award is based on employee feedback gathered through a third-party survey administered by Energage LLC, which measures key aspects of employee experiences such as leadership and appreciation.

“At WEA Member Benefits, our people are the foundation of everything we do,” said Dave Kijek, WEA Member Benefits President and CEO. “Seven years of recognition is incredibly meaningful because it comes directly from our employees. It tells us we’re creating an environment where people can thrive—and when our employees thrive, so do the members and communities we serve.”

The recognition comes as organizations nationwide continue to address challenges related to employee engagement and retention. WEA Member Benefits attributes its sustained recognition to its culture of trust, collaboration and shared purpose. As a not-for-profit trust, the organization reinvests in its employees through professional development opportunities, competitive benefits and support for growth and leadership.
